## Exotic wood presence. Customized character.

Zuri® Premium Decking gives homeowners the look, feel and charm of exotic hardwood with none of its maintenance demands. Which adds up to zero tradeoffs and truly unique exterior design possibilities.

Our distinctive inlay design, style and color options add a dramatic visual draw to long runs of diagonal decking. Make an even bigger personal statement by working with one of our designers to create your own detail.

## Move your exterior environment in the right direction: forward.

Zuri is the gorgeous result of passionate forward thinking and painstaking execution. Its proprietary technology saves much more than time spent preserving the beauty of your deck. It saves our dwindling hardwood forests—protecting these natural resources for future generations.

- Zuri's topcoat provides exceptional resistance to UV light and color fade.
- Each decking shade will retain its just-installed look with minimal color shifting; we back it with our 25-year Color Fastness Warranty.
- Zuri is engineered to be resistant to scratches, stains, color fading, slips and moisture.

hardcore durability  
and gorgeous looks.

Long live Zuri.
